EURACT Council meeting**
held in Tallinn, Estonia on 5 – 8 May 2011

Lifelong Learning Programme
Leonardo da Vinci

Education and Culture DG

Project No. 2010-1-PL1-LEO05-11460

General information about the project

Framework for Continuing Educational Development of Trainers in General Practice in Europe

Lifelong Learning Programme
Leonardo da Vinci

Education and Culture DG

1 November 2010 – 31 October 2012

Project No. 2010-1-PL1-LEO05-11460

Partnership

- College of Family Physicians in Poland - Promoter
- Health and Management - Coordinator
- European Academy of Teachers in General Practice and Family Medicine
- Danish College of General Practitioners
- Institute for Development of Family Medicine
- Greek Association of General Practitioners
- Portuguese Association of General Practitioners
- Turkish Association of Family Physicians

Aim of the project

- To develop, implement and sustain in a long-term perspective Framework for Continuing Educational Development of Trainers in General Practice in Europe.
- The framework will provide the basis for the development of educational courses for GP/FM teachers on 3 levels:
 - - level1 course (competent educator)
 - - level2 course (proficient educator)
 - - level3 course (educational expert)

Tangible outcomes of the project

- The Framework for Continuing Educational Development of Trainers in General Practice in Europe
- Educational course for competent educators in GP/FM (level1 course)
- Educational course for proficient educators in GP/FM (level2 course)
- Educational course for educational experts in GP/FM (level3 course)
- Internet platform linked with the EURACT website serving as a discussion and consultation forum
