

News from Slovakia

(from the new representative Jana Bendova)

BME: in Sept. 2013 the largest Medical Faculty (Bratislava) introduced for the 1st time in history GM as part of BME 😊 :

- optional subject
- 36 hours/semester
- 15 students (number limited by faculty)
- GPs teach & prepare first textbook

Still not having the department of GM 😞

(we are at the Department for Urgent medicine and catastrophes)

BME & Specialisation education:

Residency programme is in preparation 😊

the start was due in Sept 2013, postponed for January 2014 😞
